| <b>Ethical review</b>        | Approved WMO               |
| <b>Status</b>                | Recruitment stopped        |
| <b>Health condition type</b> | Autoimmune disorders       |
| <b>Study type</b>            | Observational non invasive |

## Summary

### ID

NL-OMON35695

### Source

ToetsingOnline

### Brief title

Biomarkers in AAV

### Condition

- Autoimmune disorders
- Renal disorders (excl nephropathies)
- Vascular disorders NEC

### Synonym

microscopische polyangiitis, Wegener's disease

### Research involving

Human

### Sponsors and support

**Primary sponsor:** Universitair Medisch Centrum Groningen

**Source(s) of monetary or material Support:** NIH

## Intervention

**Keyword:** ANCA, biomarkers, DNA, vasculitis

## Outcome measures

### Primary outcome

zie boven

### Secondary outcome

zie boven

## Study description

### Background summary

## Trial sites

### Listed location countries

Netherlands

## Eligibility criteria

### Age

Adults (18-64 years)

Elderly (65 years and older)

### Inclusion criteria

Caucasian identity, clinical diagnosis of ANCA-associated vasculitis, ANCA antibody positivity currently or in the past

### Exclusion criteria

age < 18 years

## Study design

### Design

|                     |                                 |
|---------------------|---------------------------------|
| Study type:         | Observational non invasive      |
| Intervention model: | Other                           |
| Allocation:         | Non-randomized controlled trial |
| Masking:            | Open (masking not used)         |

**Primary purpose:** Basic science

## Recruitment

NL  
Recruitment status: Recruitment stopped  
Start date (anticipated): 08-07-2010  
Enrollment: 300  
Type: Actual

## Ethics review

Approved WMO  
Date: 08-07-2010  
Application type: First submission  
Review commission: METC Universitair Medisch Centrum Groningen (Groningen)

## Study registrations

### Followed up by the following (possibly more current) registration

No registrations found.

### Other (possibly less up-to-date) registrations in this register

No registrations found.
